Dear Ms. Barratt:

Thank you for the update on your efforts to have the historical eucalyptus tree row in Carmel Valley listed on the National Register of Historic Places. To receive the unanimous approval of the State Historical Resources Commission is quite an accomplishment and great news indeed! I enthusiastically await your next report with the response from the Keeper of the National Register in Washington, D.C.

Thanks again for sharing the good news and please keep me updated. My best wishes for your success.

Sincerely,

A handwritten signature in blue ink, appearing to read "Leon E. Panetta", is written over the typed name. The signature is fluid and stylized, with a large loop at the beginning and a long horizontal stroke at the end.
